

Looking for *comprehensive* medical coverage?

THE CELTICARE II HEALTH PLAN

With three plan types and additional benefits to meet a wide variety of needs, CeltiCare II allows you to customize your coverage. CeltiCare II offers comprehensive major medical benefits and flexibility as well as money-saving options.

You choose the CeltiCare II plan that works best for you:

- **Select PPO**—a doctor and hospital network plan with a low \$15 non-preventive office visit copay
- **“Any Doc” PPO**—a hospital network plan with a \$35 non-preventive office visit copay to the doctor of your choice
- **Managed Indemnity Plan**—a flexible plan with no network requirements

All CeltiCare II health plans provide:

- Eligibility for individuals ages 6 months to 64½ years, and their dependents
- Range of deductible and coinsurance options
- 6 non-preventive copay doctor office visits per person per year
- \$200 first-dollar lab & x-ray coverage
- Healthy Lifestyle Program benefit
- Prescription drug coverage
- \$7,000,000 lifetime maximum per insured
- Option to purchase the money-saving *Prescription Drug Option* or the affordable bundled-benefit *Plus Option*, which includes preventive care, supplemental accident, and prescription drug coverage

Plan benefits and availability may vary by state.
