

Celtic's Healthy Lifestyle Program

Would you like to be rewarded for leading a healthy lifestyle?

The Healthy Lifestyle Program is a money-saving benefit that's perfect for active individuals and families!

The Healthy Lifestyle Program reimburses 25% of qualifying fees, up to \$300 per year for each insured individual, for eligible programs that improve physical health such as:

- Fitness/exercise memberships
- Kids' little league, soccer, gymnastics, ballet, etc.
- Weight loss and smoking cessation programs
- YMCA/YWCA programs

The entire family enjoys the healthy lifestyle benefit. What's more, a deductible does not have to be met for healthy lifestyle benefits to be paid. Here's an example of how the Healthy Lifestyle Program saves the Smith family \$775 per year:
